

## Miss Megan Jones

After recently graduating in 2020 from her AMEB piano exams, Megan went on to study music therapy through the Centre of Excellence. Megan then started to teach group piano lessons and private piano lessons. She has always been very passionate about the piano and teaching music.

After being educated on the piano since age 8 she auditioned at The Australian Institute of Music at sixteen and went on to study music and performance there. She recently performed piano for The Adults Only Concert 2019. She had AMEB piano examinations from age 13. Her most recent AMEB examination 2020. She is currently studying AMEB music theory grade 3 and wants to reach grade 4 and a CTMUSA.
